

Transform

Beyond protecting and cleaning natural stone, sometimes you want to transform the surface to achieve a desired look. From color enhancing, polishing, shining or adding a gloss finish — our transform products meet your needs. If your stone requires restoration, our full line of professional products can bring the surface back to life.

Shine

Polish

- ◆ Adds brilliant shine to polished stone
- ◆ No greasy film; will not streak
- ◆ Easy to use formula
- ◆ Great for kitchen countertops and bathroom vanities

For Use On: All polished natural stone such as marble, granite, limestone and travertine. Not for use on floors. May create slipping hazard.

Available Sizes:
◆ 24 oz Spray

Color Enhancing

RICH COLOR Enhancer Pro™ Sealer

- ◆ Deepens color
- ◆ Heavy duty protection against most stains
- ◆ Weather and UV resistant
- ◆ Interior and exterior use
- ◆ Solvent-based
