- Color Enhancing
- Translucent
- Kitchen Countertops
- Bathroom Showers
- Bathroom Tubs
- Bathroom Counters
- Fireplace
- Exterior
- Furniture Top
- Floors

Cleaning & Maintenance

Needs to be sealed periodically. Cleaning with a natural stone cleaner (neutral PH) or mild soap detergent only. Do not use anything acidic as it will damage the sealers.

| Resistance | Good | Better | Best |
|---------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Abrasion Resistance |  |  |  |
| Stain Resistance |  |  |  |
| Etching Resistance |  |  |  |
| Heat Resistance |  |  |  |
| UV Resistance |  |  |  |
