 Granite

Usage

- Color Enhancing
- Translucent
- Kitchen Countertops
- Bathroom Showers
- Bathroom Tubs
- Bathroom Counters
- Fireplace
- Exterior
- Furniture Top
- Floors

Cleaning & Maintenance

Needs to be sealed periodically. Cleaning with a natural stone cleaner (neutral PH) or mild soap detergent only. Do not use anything acidic as it will damage the sealers.

Resistance	Good	Better	Best
Abrasion Resistance			
Stain Resistance			
Etching Resistance			
Heat Resistance			
UV Resistance
